Name :

Class: 8/-----

Read the following passage, then answer the questions below:

Reading is a wonderful habit for kids. It helps their minds grow strong, just like exercise helps their bodies. When children read stories, they learn new words and ideas. They can travel to magical lands or learn about real people and places without ever leaving their homes. This makes them more creative and helps them understand the world better. Parents can help by reading with their children every day, as even a few minutes before bed can make a big difference. It's a fun way to spend time together and builds a love for books that can last a lifetime. It also helps them perform better in school because they can understand their lessons more easily and communicate their thoughts clearly.
